related experience

2014

Hearst Digital Media, New York, N.Y.

Intern for Veranda/Elle Decor/House Beautiful Magazines

I wrote daily decor related articles for web, managed social media accounts, worked with my digital team to produce long-term projects as well as assisted with photo shoots.

The Stony Brook Press, Stony Brook, N.Y.

Managing Editor

Features Editor

During my tenure, I pioneered an organizational redesign. I worked with art directors, web designers and printers to create the highest quality product within a cut budget for both in print and online products.

The Press News Group, Southampton, N.Y.

Summer Features Intern

I pitched and wrote 4-5 weekly for *Arts & Living* and *Residence* sections learning on the job how to conduct interviews with high profile sources and photograph prominent events.

2013

Blending Magazine, Firenze, Italia

Staff Reporter and Photographer

While abroad, I wrote cultural pieces on architecture and society. I also had several of my film photographs published.

2012

Office of Student Media, Stony Brook, N.Y.

Intern

Coming from an event planning background, I was asked to fundraise for the radio station and photograph student life events.
